

Sold for an Exceptional Result

192 Osborne Drive, Mount Martha

The story

This home was sold to a local couple who have owned many homes in the area over the past 20 years. They had walked past the home many times over previous years and loved the façade. When it came to market, they couldn't let the opportunity pass them by.

The campaign was hugely successful in bringing vast numbers through the door thanks to the beautiful photography and marketing as well as a proven sales strategy.

Our clients were thrilled with the outstanding results of \$1,340,000 and only 21 days on market. This outstripped the market average by a multiple of four.
